ARTICLE II - DETERMINATION OF GROSS INCOME

5-10-200: DETERMINATION OF GROSS INCOME; IN GENERAL:

- (A) Gross income includes:
1. The value proceeding or accruing from the sale of property, the providing of service, or both.
 2. The total amount of the sale, lease, license for use, or rental price at the time of such sale, rental, lease, or license.
 3. All receipts, cash, credits, barter, exchange, reduction of or forgiveness of indebtedness, and property of every kind or nature derived from a sale, lease, license for use, rental, or other taxable activity.
 4. All other receipts whether payment is advanced prior to, contemporaneous with, or deferred in whole or in part subsequent to the activity or transaction.
- (B) Barter, exchange, trade-outs, or similar transactions are includable in gross income at the fair market value of the service rendered or property transferred, whichever is higher, as they represent consideration given for consideration received.
- (C) No deduction or exclusion is allowed from gross income on account of the cost of the property sold, the time value of money, expense of any kind or nature, losses, materials used, labor or service performed, interest paid, or credits granted.
- (D) For the purposes of this Chapter the total amount of gross income, gross receipts or gross proceeds of sales for nuclear fuel shall be deemed to be the value of the purchase price of uranium oxide used in producing the fuel. The tax imposed by this Chapter may be imposed only once for any one quantity or batch of nuclear fuel regardless of the number of the transactions or financing arrangements which may occur with respect to that nuclear fuel. (5190)

5-10-210: DETERMINATION OF GROSS INCOME; TRANSACTIONS BETWEEN AFFILIATED COMPANIES OR PERSONS:

In transactions between affiliated companies or persons or in other circumstances where the relationship between the parties is such that the gross income from the transaction is not indicative of the market value of the subject matter of the transaction, the Tax Collector shall determine the "market value" upon which the City Privilege and Use Taxes shall be levied. "Market value" shall correspond as nearly as possible to the gross income from similar transactions of like quality or character by other taxpayers where no common interest exists between the parties, but otherwise under similar circumstances and conditions.

5-10-220: DETERMINATION OF GROSS INCOME; ARTIFICIALLY CONTRIVED TRANSACTIONS:

The Tax Collector may examine any transaction, reported or unreported, if, in his opinion, there has been or may be an evasion of the taxes imposed by this Chapter and to estimate the amount subject to tax in cases where such evasion has occurred. The Tax Collector shall disregard any transaction which has been undertaken in an artificial manner in order to evade the taxes imposed by this Chapter.

5-10-230: DETERMINATION OF GROSS INCOME BASED UPON METHOD OF REPORTING:

The method of reporting chosen by a taxpayer, as provided in Section 5-10-520, necessitates the following adjustments to gross income for all purposes under this Chapter:

- (A) Cash basis. When a person elects to report and pay taxes on a cash basis, gross income for the reporting period shall include:
1. The total amounts received on "paid in full" transactions, against which are allowed all applicable deductions and exclusions and
 2. All amounts received on accounts receivable, conditional sales contract, or other similar transactions, against which no deductions and no exclusions from gross income are allowed. Interest on finance contracts may be deducted if separately itemized on all books and records. (3270/Reso. 6970)
- (B) Accrual basis. When a person elects to report and pay taxes on an accrual basis, gross income shall include all gross income for the applicable period regardless of whether receipts are for cash, credit, conditional, or partially deferred transactions and regardless of whether or not any security document or instrument is sold, assigned, or otherwise transferred to another. Persons reporting on the accrual basis may deduct bad debts, provided that:
1. The amount deducted for the bad debt must be deducted from gross income of the month in which the actual charge-off was made and only to the extent that such amount was actually charged-off, and also only to the extent that such amount is or was included as taxable gross income and
 2. If any amount is subsequently collected on such charged-off account, it shall be included in gross income for the month in which it was collected, without deduction for expense of collection.

5-10-240: EXCLUSION OF CASH DISCOUNTS, RETURNS, REFUNDS, TRADE-IN VALUES, VENDOR-ISSUED COUPONS, AND REBATES FROM GROSS INCOME:

- (A) The following items are not included in gross income:
1. Cash discounts allowed by the vendor for timely payment, but only discounts allowed against taxable gross income.
 2. The value of property returned by customers to the extent of the amount actually refunded either in cash or by credit and the amount refunded was included in taxable gross income.
 3. The trade-in allowance for tangible personal property accepted as payment, not to exceed the full sales price for any tangible personal property sold, when the full sales price is included in taxable gross income. Trade-in allowances are not allowed for manufactured buildings taxable under Section 5-10-427. (2977/Reso. 6722)
 4. When coupons issued by a vendor are later accepted by the vendor as a discount against the transaction, the discount may be excluded from gross income as a cash discount. Amounts credited or refunded by a vendor for redemption of coupons issued by any person other than the vendor may not be excluded from gross income.
 5. Rebates issued by the vendor to a customer as a discount against the transaction may be excluded from gross income as a cash discount. Rebates issued by a person other than the vendor may not be excluded from gross income, even when the vendee assigns his right to the rebate to the vendor.

6. In computing the tax base, gross proceeds of sales or gross income does not include a manufacturer's cash rebate on the sales price of a motor vehicle if the buyer assigns the buyer's right in the rebate to the retailer. (3270/Reso. 6970)
- (B) If the amount specified in Subsection (A) above is credited by a vendor subsequent to the reporting period in which the original transaction occurs, such amount may be excluded from the taxable gross income of that subsequent reporting period, but only to the extent that the excludable amount was reported as taxable gross income in that prior reporting period.

5-10-250: EXCLUSION OF COMBINED TAXES FROM GROSS INCOME; ITEMIZATION; NOTICE; LIMITATIONS:

- (A) When Tax is Separately Charged and/or Collected. The total amount of gross income shall be exclusive of combined taxes only when the person upon whom the tax is imposed shall establish to the satisfaction of the Tax Collector that such tax has been added to the total price of the transaction. The taxpayer must provide to his customer and also keep a reliable record of the actual tax charged or collected, shown by cash register tapes, sales tickets, or other accurate record, separating net transaction price and combined tax. If at any time the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts billed or collected on account of combined taxes, the claimed taxes collected may not be excluded from gross income unless such records are completed and/or clarified to the satisfaction of the Tax Collector.
1. Remittance of all Tax Charged and/or Collected. When an added charge is made to cover City (or combined) Privilege and Use Taxes, the person upon whom the tax is imposed shall pay the full amount of the City taxes due, whether collected by him or not, and in the event he collects more than the amount due he shall remit the excess to the Tax Collector. In the event the Tax Collector cannot ascertain from the records kept by the taxpayer the total or amounts of taxes collected by him and the Tax Collector is satisfied that the taxpayer has collected taxes in an amount in excess of the tax assessed under this Chapter, the Tax Collector may determine the amount collected and collect the tax so determined in the manner provided in this Chapter.
 2. Itemization. A taxpayer, in order to be entitled to exclude from his gross income any amounts paid to him by customers for combined taxes passed on to the customer, must prove that he has provided his customer with a written record of the transaction showing at a minimum the price before the tax, the combined taxes, and the total cost. This shall be in addition to the record required to be kept under Subsection (A) above.
- (B) When Tax has been Neither Separately Charged nor Separately Collected. When the person upon whom the tax is imposed shall establish by means of invoices, sales tickets, or other reliable evidence that no added charge was made to cover combined taxes, the taxpayer may exclude tax collected from such income by dividing such taxable gross income by 1.00 plus a decimal figure representing the effective combined tax rate expressed as a fraction of 1.00.

- (D) Any licensee who fails to renew his license on or before the due date shall be deemed to be operating without a license following such due date, and shall be subject to all penalties imposed under this Chapter against persons required to be licensed and operating without a license. 5-10-350: OPERATING WITHOUT A LICENSE: (5259)

It shall be unlawful for any person who is required by this Chapter to obtain a Transaction Privilege and Use Tax License to engage in or continue in business without a license. 5-10-360: RECORD KEEPING REQUIREMENTS: (5259)

- (A) It shall be the duty of every person subject to the tax imposed by this Chapter to keep and preserve suitable records and such other books and accounts as may be necessary to determine the amount of tax for which he is liable under this Chapter. The books and records must contain, at a minimum, such detail and summary information as may be required by this Article; or when records are maintained within an electronic data processing (EDP) system, the requirements established by the Arizona Department of Revenue for privilege tax filings will be accepted. It shall be the duty of every person to keep and preserve such books and records for a period equal to the applicable limitation period for assessment of tax, and all such books and records shall be open for inspection by the Tax Collector during any business day. (3270/Reso. 6970, 5259)

- (B) The Tax Collector may direct, by letter, a specific taxpayer to keep specific other books, records, and documents. Such letter directive shall apply:
1. Only for future reporting periods, and
 2. Only by express determination of the Tax Collector that such specific record keeping is necessary due to the inability of the taxing jurisdiction to conduct an adequate examination of the past activities of the taxpayer, which inability resulted from inaccurate or inadequate books, records, or documentation maintained by the taxpayer. (5259)

5-10-362: RECORD KEEPING; INCOME: (5259)

The minimum records required for persons having gross income subject to, or exempt or excluded from, tax by this Chapter must show: (5259)

- (B) The gross income taxable under this Chapter, divided into categories as stated in the official City tax return. (5259)

1. If the transaction is claimed to be exempt as a sale for resale or as a sale, rental, lease or license for use of rental equipment: (5259)
 - a. the City Privilege License number and State Transaction Privilege Tax License number of the customer (or the equivalent city, if applicable, and state tax numbers of the city and state where the customer resides), and (5259)
 - b. the name, business address, and business activity of the customer, and (5259)
 - c. evidence sufficient to persuade a reasonable prudent businessman that the transaction is believed to be in good faith a purchase for resale, or a purchase, rental, lease, or license for use of rental equipment, by the vendee in the ordinary and regular course of his business activity, as provided by Regulation. (5259)
 2. If the transaction is claimed to be exempt for any other reason: (5259)
 - a. the name, business address, and business activity of the customer, and (5259)
 - b. evidence which would establish the applicability of the exemption to a reasonably prudent businessman acting in good faith. Ordinary business documentation which would reasonably indicate the applicability of an exemption shall be sufficient to relieve the person on whom the tax would otherwise be imposed from liability therein, if he acts in good faith as provided by Regulation (5259)
- (E) With respect to those allowed deductions or exclusions for tax collected or charges for delivery or other direct customer services, where applicable, evidence that the deductible income has been separately stated and shown on the records of the taxpayer and on invoices or receipts provided to the customer. All other deductions, exemptions, and exclusions shall be separately shown and substantiated. (5259)

- (F) With respect to special classes and activities, such other books, records and documentation as the Tax Collector, by regulation, shall deem necessary for specific classes of taxpayer by reason of the specialized business activity of any such class. (5259)
- (G) In all cases, the books and records of the taxpayer shall indicate both individual transaction amounts and totals for each reporting period for each category of taxable, exempt, and excluded income defined by this Chapter. (5259)

- (E) As applicable to each taxpayer, documentation sufficient to the Tax Collector, so that he may ascertain:
 1. All construction expenditures and all Privilege and Use Taxes claimed paid, relating to owner-builders and speculative builders. (5259)

 3. (Reserved)
 4. The validity of any claims of proof of exemption. (5259)

- (G) In all cases, the books and records of the taxpayer shall indicate both individual transaction amounts and totals for each reporting period for each category of taxable, exempt, and excluded expenditures as defined by this Chapter. (5259)

5-10-366: RECORDKEEPING: OUT-OF-CITY AND OUT-OF-STATE SALES: (5259)

- (A) Out-of-City Sales. Any person engaging or continuing in a business who claims out-of-City sales shall maintain and keep accounting records or books indicating separately the gross income from the sales of tangible personal property from such out-of-City branches or locations. (5259)

 2. Shipping, delivery, or freight documents showing where the buyer took delivery; and (5259)

5-10-370: RECORDKEEPING: CLAIM OF EXCLUSION, EXEMPTION, DEDUCTION, OR CREDIT; DOCUMENTATION; LIABILITY: (5259)

- (A) All deductions, exclusions, exemptions, and credits provided in this Chapter are conditional upon adequate proof and documentation of such as may be required either by this Chapter or Regulation. (5259)
- (B) Any person who claims and receives an exemption, deduction, exclusion, or credit to which he is not entitled under this Chapter, shall be subject to, liable for, and pay the tax on the transaction as if the vendor subject of the tax had passed the burden of the payment of the tax to the person wrongfully claiming the exemption. A person who wrongfully claimed such exemption shall be treated as if he is delinquent in the payment of the tax and shall be subject to interest and penalties upon such delinquency. However, if the tax is collected from the vendor on such transaction it shall not again be collected from the person claiming the exemption, or if collected from the person claiming the exemption it shall not also be collected from the vendor. (5259)

5-10-372: PROOF OF EXEMPTION: SALE FOR RESALE; SALE, RENTAL, LEASE, OR LICENSE OF RENTAL EQUIPMENT: (5259)

A claim of purchase for resale or of purchase, rental, lease, or license for rent, lease, or license is valid only if the evidence is sufficient to persuade a reasonably prudent businessman that the particular item is being acquired for resale or for rental, lease, or license in the ordinary course of business. The fact that the acquiring person possesses a Privilege License number, and makes a verbal claim of "sale for resale or lease" or "lease for re-lease" does not meet this burden and is insufficient to justify an exemption. The "reasonable evidence" must be evidence which exists objectively, and not merely in the mind of the vendor, that the property being acquired is normally sold, rented, leased or licensed by the acquiring person in the ordinary course of business. Failure to obtain such reasonable evidence at the time of the transaction will be a basis for disallowance of any claimed deduction on returns filed for such transactions. (5259)

5-10-380: INADEQUATE OR UNSUITABLE RECORDS. (5259)

In the event the records provided by the taxpayer are considered by the Tax Collector to be inadequate or unsuitable to determine the amount of the tax for which such taxpayer is liable under the provisions of this Chapter, it is the responsibility of the taxpayer either: (5259)

- (A) To provide such other records required by this Chapter or Regulation; or (5259)
- (B) To correct or to reconstruct his records, to the satisfaction of the Tax Collector. (5259)

- (D) Limitation of exemptions, deductions, and credits allowed against the measure of taxes imposed by this Chapter. All exemptions, deductions, and credits set forth in this Chapter shall be limited to the specific activity or transaction described and not extended to include any other activity or transaction subject to the tax.

This exemption also applies to income received from the rental of individual rental units subject to statutory or regulatory “low-income unit” rent restrictions similar to IRC Section 42 to the extent that the collection of tax from the tenant causes the rental receipts to exceed a rent restriction for the low-income unit. This subsection also applies to rent received by a person other than the owner or lessor of the low-income unit, including a broker. This subsection does not apply unless a taxpayer maintains the documentation to support the qualification of a unit as a low-income unit, the “gross rent” limitation for the unit and the rent received from that unit. Such device or system must itself vend or sell the items, i.e., a device or system which delivers the subject of the sale, or by automatic action physically delivers the thing sold. 7. "Food." (IN98-1/Election 3-14-00)
 - (a) Food is defined as those items that may be purchased from an eligible grocery business with food coupons, but in no event may such definition of food include food for consumption on the premises, alcoholic beverages, or tobacco. Even though alcoholic beverages and food for consumption on the premises may be intended for human consumption, such items are not considered food by the statutory provisions. In these rules, items that are considered food by the statutes, and therefore tax exempt if sold by a qualified retailer, shall be referred to as "tax-exempt foods." Other items that may be intended for human consumption but are excluded from the definition of food by the statute, and are therefore subject to the sales tax, shall be referred to herein as "taxable foods." (IN98-1/Election 3-14-00)

(b) "Food" means: Items intended for human consumption. Food is deemed to be intended for human consumption when its intended or ordinary use is as a food for human consumption or is an ingredient used in preparing food for human consumption. For example, even though animal food may be used by some humans, its ordinary or intended use is not for human consumption. Also, even though vitamins and other medication may be ingested, its intended or ordinary use is as a health aid or therapeutic agent or a deficiency corrector and is not intended for use as food. While food for consumption on the premises includes any food sold within the premises of certain businesses, including businesses that charge admission, entrance, or cover fees for exhibition, amusement, entertainment, or instruction, food for consumption on the premises does not include sales of tax-exempt food by a qualified retailer within the premises of a full-time educational institution that charges tuition for a full course of studies. (IN98-1/Election 3-14-00)
- (b) Any item enumerated in subparagraph (a) which is sold on a take-out or to-go basis is still considered to be food for consumption on the premises and therefore taxable. (IN98-1/Election 3-14-00)

- (B) Payment. If payment is made in any form other than United States legal tender, the tax obligation shall not be satisfied until the payment has been honored in funds.
- (C) Requirement of Security. If a taxpayer has remitted payment in the form of a check or other form of draw upon a bank or third party and such remittance has not been honored in funds, the Tax Collector may demand security for future payments.
- (D) Method of Reporting. Each taxpayer shall elect to report on either a cash receipts basis or an accrual basis and shall indicate the choice on the Privilege License application. A taxpayer shall not change his reporting method without receiving prior written approval by the Tax Collector.
 - 1. Taxpayers must report all gross income subject to the tax using the same basis of reporting.

 - (c) Owner-builders who are not speculative builders shall report taxable amounts as provided in Section 5-10-417.

5-10-530: WHEN TAX DUE; WHEN DELINQUENT; VERIFICATION OF RETURN; EXTENSIONS:

- (A) Except as provided elsewhere in this Section, the taxes shall be due and payable monthly on or before the twentieth (20th) day of the month next succeeding the month in which the tax accrues.
 - 1. Quarterly Returns. The Tax Collector may authorize a taxpayer whose reporting history indicates an estimated annual City Privilege and Use Tax liability on taxable gross income in excess of five thousand dollars (\$5,000.00) but less than fifty thousand dollars (\$50,000.00) to file returns on a calendar-quarterly basis. The taxes for each calendar quarter shall be due and payable on or before the twentieth (20th) day of the month next succeeding the end of each calendar quarter.

2. Annual Returns. The Tax Collector may authorize a taxpayer whose reporting history indicates an estimated annual City Privilege and Use Tax liability on taxable gross income of not more than five thousand dollars (\$5,000.00) to file returns for such taxes on a calendar-annual basis. The taxes for each calendar year shall be due and payable on or before the twentieth (20th) day of January of the following year.
- (B) Special Requirements of Taxpayers Filing Quarterly or Annual Returns. No taxpayer may report on a quarterly or annual basis until he has established, to the Tax Collector's satisfaction, six (6) months' reporting history. It is the taxpayer's responsibility to notify the Tax Collector and increase his reporting frequency (to quarterly or monthly as applicable) when his taxable income or tax due exceeds the maximum limits for his current reporting frequency. Failure to do so may be deemed negligence or evasion, and penalties may apply. Failure to file returns timely, without good cause shown to the satisfaction of the Tax Collector, is sufficient cause for the Tax Collector to deny future filings by the taxpayer on a quarterly or annual basis.
- (C) Delinquency Date. Except as provided in Subsection (D) below, all returns and remittances received within the Tax Collector's office on or before the last business day of the month when due shall be regarded as timely filed. The start of business of the first business day following the month when due shall be the delinquency date. It shall be the taxpayer's responsibility to cause his return and remittance to be timely received. Mailing the return or remittance on or before the due date or delinquency date does not relieve the taxpayer of the responsibility of causing his return or remittance to be received by the last business day of the month when due. (2535)
- (D) Jeopardy Reporting. If the Tax Collector determines that the collection of any tax due to the City is in jeopardy, the Tax Collector may direct the taxpayer to file his return and remit the tax on a weekly, daily, or transaction-by-transaction basis. Such return and remittance shall be due upon the date fixed by the Tax Collector, and the "delinquency date" shall be the following day.
- (E) Extensions. The Tax Collector may extend the time for filing a return, for good cause shown, and only when requested in writing and received by the Tax Collector prior to the tax due date. However, the time for filing such return shall not be extended beyond the last business day of the month next succeeding the due date of such return. In such cases, only the penalties for late filing and late payment may be waived by the Tax Collector for filing and payment within the extension period. Notwithstanding the granting of an extension, the interest payable for late payment of taxes shall be paid for the period commencing upon the original delinquency date and ending on the date the tax is paid. The interest may not be waived by the Tax Collector. (2977/Reso. 6722)

5-10-540: INTEREST AND CIVIL PENALTIES:

- (A) Any taxpayer who failed to pay any of the taxes imposed by this Chapter which were due or found to be due before the delinquency date shall be subject to and shall pay interest upon such tax until paid. From and after October 1, 2005, the interest rate shall be determined in the same manner and at the same times as prescribed by Section 6621 of the United States Internal Revenue Code and compounded annually under the method described in Subsection (1) below. The rate of interest for both overpayments and underpayments for all taxpayers is the federal short-term rate, determined pursuant to Section 6621 (B) of the Internal Revenue Code, plus three percentage points. The interest rate prior to October 1, 2005 shall be one percent (1%) per month. Said interest may be neither waived by the Tax Collector nor abated by the Hearing Officer except as it might relate to a tax abated as provided by Section 5-10-570. (3270,4582/Reso. 6970)

1. On January 1 of each year any interest outstanding as of that date that was accrued from and after October 1, 2005 is thereafter considered as part of the principal amount of the tax and accrues interest pursuant to this section. (4582)
 2. Interest accrued prior to October 1, 2005 shall not be added to the principal. (4582)
- (B) In addition to interest assessed under Subsection (A) above, any taxpayer who failed to pay any of the taxes imposed by this Chapter which were due or found to be due before the delinquency date shall be subject to and shall pay any or all of the following civil penalties, in addition to any other penalties prescribed by this Chapter:
1. A taxpayer who fails to timely file a return for a tax imposed by this Chapter shall pay a penalty of five percent (5%) of the tax for each month or fraction of a month elapsing between the delinquency date of the return and the date on which it is filed unless the taxpayer shows that the failure to timely file is due to reasonable cause and not due to willful neglect. This penalty shall not exceed twenty-five percent (25%) of the tax due. (3270/Reso. 6970)
 2. A taxpayer who fails to pay the tax within the time prescribed shall pay a penalty of ten percent (10%) of the unpaid tax unless the taxpayer shows that the failure to timely pay is due to reasonable cause and not due to willful neglect. If the taxpayer is also subject to a penalty under Subsection (B)1 above for the same tax period, the total penalties under Subsection (B)1 and this Subsection shall not exceed twenty-five percent (25%) of the tax due. (3270/Reso. 6970)
 3. A taxpayer who fails or refuses to file a return within thirty (30) days of having received a written notice and demand from the Tax Collector shall pay a penalty of twenty-five percent (25%) of the tax unless the taxpayer shows that the failure is due to reasonable cause and not due to willful neglect or the Tax Collector agrees to a longer time period. (3270/Reso. 6970)
 4. If the cause of a tax deficiency is determined by the Tax Collector to be due to negligence but without regard for intent to defraud, the taxpayer shall pay a penalty of ten percent (10%) of the amount of deficiency. If the taxpayer is also subject to a penalty under Subsection (B)1 or (B)2 above for the same tax period, the total penalties imposed under Subsections (B)1, (B)2, and this Subsection shall not exceed twenty-five percent (25%) of the tax due. (3270/Reso. 6970)
 5. If the cause of a tax deficiency is determined by the Tax Collector to be due to civil fraud or evasion of the tax, the taxpayer shall pay a penalty of fifty percent (50%) of the amount of deficiency.
- (C) Penalties and interest imposed by this Section are due and payable upon notice by the Tax Collector.
- (D) If, following an audit, penalties attributable to the audit period are to be assessed pursuant to Subsection (B)1 or (B)2 above, the Tax Collector, before assessing such penalties, must take into consideration any information or explanations provided by the taxpayer as to why the return was not timely filed and/or the tax was not timely paid. If such information and/or explanations are provided by the taxpayer and the Tax Collector nevertheless decides to assess penalties pursuant to Subsection (B)1 or (B)2 above, then, at the time the penalties are assessed, the Tax Collector must provide the taxpayer with a detailed written explanation of the basis for the Tax Collector's determination that the information and/or explanations provided by the taxpayer did not constitute reasonable cause. (3270/Reso. 6970)

- (E) The assessment of the penalties prescribed by Subsections (B)3 through (B)5 above must be approved on a case-by-case basis by the Tax Collector prior to such assessment. In addition, any assessment which includes penalties based upon Subsection (B)3, (B)4 or (B)5 above must be accompanied by a statement signed by the Tax Collector setting forth in detail the basis for the Tax Collector's determination that the penalties are warranted under the circumstances. (3270/Reso. 6970)
- (F) The Tax Collector shall waive or adjust penalties imposed by Subsections (B)1 and (B)2 above upon a finding that: (3270/Reso. 6970)
1. In the past, the taxpayer has consistently filed and paid the taxes imposed by this Chapter in a timely manner;
 2. The amount of the penalty is greatly disproportionate to the amount of the tax; or
 3. The failure of a taxpayer to file a return and/or pay any tax by the delinquency date was caused by any of the following circumstances which must occur prior to the delinquency date of the return or payment in question: (3270/Reso. 6970)
 - (a) The return was timely filed but was inadvertently forwarded to another taxing jurisdiction.
 - (b) Erroneous or insufficient information was furnished the taxpayer by the Tax Collector or his employee or agent.
 - (c) Death or serious illness of the taxpayer, member of his immediate family, or the preparer of the reports immediately prior to the due date.
 - (d) Unavoidable absence of the taxpayer immediately prior to the due date.
 - (e) Destruction by fire or other casualty of the taxpayer's place of business or records.
 - (f) Prior to the due date, the taxpayer made application for proper forms which could not be furnished in sufficient time to permit a timely filing.
 - (g) The taxpayer was in the process of pursuing an active protest of the tax in question in another taxing jurisdiction at the time the tax and/or return was due. (3270/Reso. 6970)
 - (h) The taxpayer establishes through competent evidence that the taxpayer contacted a tax advisor who is competent on the specific tax matter, and after furnishing necessary and relevant information, the taxpayer was incorrectly advised that no tax was owed and/or the filing of a return was not required. (3270/Reso. 6970)
 - (i) The taxpayer has never been audited by a City for the tax or on the issue in question and relied, in good faith, on a State exemption or interpretation. (3270/Reso. 6970)
 - (j) The taxpayer can provide some public record (court case; report in a periodical, professional journal, or publication; etc.) stating that the transaction is not subject to tax. (3270/Reso. 6970)
 - (k) The Arizona Department of Revenue, based upon the same facts and circumstances, abated penalties for the same filing period. (3270/Reso. 6970)

A taxpayer may also request a waiver or adjustment of penalty for a reason thought to be equally substantive to those reasons itemized above. All requests for waiver or adjustment of penalty must be in writing and shall contain all pertinent facts and other reliable and substantive evidence to support the request. In all cases, the burden of proof is upon the taxpayer.

- (G) No request for waiver of penalty under Subsection (F) above may be granted unless written request for waiver is received by the Tax Collector within forty-five (45) days following the imposition of penalty. Any taxpayer aggrieved by the refusal to grant a waiver under Subsection (F) above may appeal under the provisions of Section 5-10-570 provided that a petition of appeal or request for an extension is submitted to the Tax Collector within forty-five (45) days of the taxpayer's receipt of notice by the City that waiver has been denied. (3270/Reso. 6970)
- (H) For the purpose of this Section, "reasonable cause" shall mean that the taxpayer exercised ordinary business care and prudence, *i.e.*, had a reasonable basis for believing that the tax did not apply to the business activity or the storage or use of the taxpayer's tangible personal property in this City. (2321, 3270/Reso. 6970)
- (I) For the purpose of this Section, "negligence" shall be characterized chiefly by inadvertence, thoughtlessness, inattention, or the like, rather than an "honest mistake." Examples of negligence include: (3270/Reso. 6970)
 - 1. The taxpayer's failure to maintain records in accordance with Article III of this Chapter; (3270/Reso. 6970)
 - 2. Repeated failures to timely file returns; or (3270/Reso. 6970)
 - 3. Gross ignorance of the law. (3270/Reso. 6970)

5-10-541: ERRONEOUS ADVICE OR MISLEADING STATEMENTS BY THE TAX COLLECTOR; ABATEMENT OF PENALTIES AND INTEREST; DEFINITION: (3270/RESO. 6970)

- (A) Notwithstanding Section 5-10-540(A), no interest or penalty may be assessed on an amount assessed as a deficiency if either: (3270/Reso. 6970)
 - 1. The deficiency assessed is directly attributable to erroneous written advice furnished to the taxpayer by an employee of the City acting in an official capacity in response to a specific request from the taxpayer and not from the taxpayer's failure to provide adequate or accurate information. (3270/Reso. 6970)
 - 2. All of the following are true: (3270/Reso. 6970)
 - (a) A tax return form prepared by the Tax Collector contains a statement that, if followed by a taxpayer, would cause the taxpayer to misapply this Chapter. (3270/Reso. 6970)
 - (b) The taxpayer reasonably relies on the statement. (3270/Reso. 6970)
 - (c) The taxpayer's underpayment directly results from this reliance. (3270/Reso. 6970)
- (B) Each employee of the Tax Collector, at the time any oral advice is given to any person, shall inform the person that the Tax Collector is not bound by such oral advice. (3270/Reso. 6970)
- (C) For purposes of this Section, "tax return form" includes the instructions that the Tax Collector prepares for use with the tax return form. (3270/Reso. 6970)

5-10-542: PROSPECTIVE APPLICATION OF NEW LAW OR INTERPRETATION OR APPLICATION OF LAW: (3954,4582/RESO. 7756)

- (A) Unless expressly authorized by law, the Tax Collector shall not apply any newly enacted legislation retroactively or in a manner that will penalize a taxpayer for complying with prior law. (3954/Reso. 7756)
- (B) If the Tax Collector adopts a new interpretation or application of any provision of this Chapter or determines that any provision applies to a new or additional category or type of business and the change in interpretation or application is not due to a change in the law: (3954/Reso. 7756)
 1. The change in interpretation or application applies prospectively only unless it is favorable to taxpayers. (3954/Reso. 7756)
 2. The Tax Collector shall not assess any tax, penalty, or interest retroactively based on the change in interpretation or application. (3954/Reso. 7756)
- (C) For purposes of Subsection (B), "new interpretation or application" includes policies and procedures which differ from established interpretations of this Chapter. (3954/Reso. 7756)
- (D) (Reserved)

5-10-545: DEFICIENCIES; WHEN INACCURATE RETURN IS FILED; WHEN NO RETURN IS FILED; ESTIMATES:

- (A) If the taxpayer has failed to file a return or if the Tax Collector is not satisfied with the return and payment of the amount of tax required and additional taxes are determined by the Tax Collector to be due, the Tax Collector shall deliver written notice of his determination of a deficiency to the taxpayer, and such deficiency, plus penalties and interest, shall be due and payable forty-five (45) days after receipt of the notice and demand. Such additional taxes shall bear any applicable civil penalties and interest as provided in Section 5-10-540, and every such notice of a determination of an additional amount due shall be assessed within the limitation period provided in Section 5-10-550.
 1. When a Return is Filed. If the Tax Collector is not satisfied with a return and payment of the amount of tax required by this Chapter to be paid to the City, he may examine the return or examine the records of the taxpayer and redetermine the amount of tax, penalties, and interest required to be paid for any periods available to the Tax Collector under Section 5-10-550, based upon the information contained in the return or records or based upon any information within his possession or which comes into his possession.
 2. When No Return is Filed. If any person fails to make a return, the Tax Collector may make an estimate of the amount of tax due under this Chapter and compute any applicable penalties and interest due, based upon any information within his possession or which comes into his possession.
- (B) Estimates by the Tax Collector. Any estimate made by the Tax Collector is to be made on a reasonable basis. The existence of another reasonable basis of estimation does not in any way invalidate the Tax Collector's estimate. It is the responsibility of the taxpayer to prove that the Tax Collector's estimate is not reasonable and correct by providing sufficient documentation of the type and form required by this Chapter or satisfactory to the Tax Collector.

5-10-546: CLOSING AGREEMENTS IN CASES OF EXTENSIVE TAXPAYER MISUNDERSTANDING OR MISAPPLICATION; CITY ATTORNEY APPROVAL; RULES: (3270/RESO. 6970)

- (A) If the Tax Collector determines that noncompliance with tax obligations results from extensive misunderstanding or misapplication of provisions of this Chapter, it may enter into closing agreements with those taxpayers under the following terms and conditions: (3270/Reso. 6970)
1. Extensive misunderstanding or misapplication of the tax laws occurs if the Tax Collector determines that more than sixty percent (60%) of the persons in the affected class have failed to properly account for their taxes owing to the same misunderstanding or misapplication of the tax laws. (3270/Reso. 6970)
 2. The Tax Collector shall publicly declare the nature of the possible misapplication and the proposed definition of the class of affected taxpayers and shall conduct a public hearing to hear testimony regarding the extent of the misapplication and the definition of the affected class. (3270/Reso. 6970)
 3. If after the public hearing the Tax Collector determines that a class of affected taxpayers has failed to comply with their tax obligations because of extensive misunderstanding or misapplication of the tax laws, it shall issue a tax ruling announcing that finding and publish the ruling in a newspaper of general circulation in the City and through the next two Model City Tax Code updates. (3270/Reso. 6970)
 4. A closing agreement under this Section may abate some or all of the penalties, interest, and tax that taxpayers have failed to remit, or the agreement may provide for the prospective treatments of the matter as to the class of affected taxpayers. All taxpayers in the class shall be offered the opportunity to enter into a similar agreement for the same tax periods. (3270/Reso. 6970)
 5. Taxpayers in the affected class who have properly accounted for their tax obligations for these tax periods shall be offered the opportunity to enter into an equivalent closing agreement providing for a pro rata credit or refund of their taxes previously paid. (3270/Reso. 6970)
 6. The closing agreement shall require the taxpayers to properly account for and pay such taxes in the future. If a taxpayer fails to adhere to such a requirement, the closing agreement is voidable by the Tax Collector, and he may assess the taxpayer for the delinquent taxes. The Tax Collector may issue such a proposed assessment within six (6) months after the date that he declares that closing agreement void or within the period prescribed by Section 5-10-550 of this Chapter. (3270/Reso. 6970)
- (B) Before entering into closing agreements pursuant to this Section, the Tax Collector shall secure such approval as required by Charter, ordinance, or administrative regulation. (3270/Reso. 6970)
- (C) After a closing agreement has been signed pursuant to this Section, it is final and conclusive except on a showing of fraud, malfeasance, or misrepresentation of a material fact. The case shall not be reopened as to the matters agreed upon, or the agreement shall not be modified by any officer, employee, or agent of the City. The agreement or any determination, assessment, collection, payment, abatement, refund, or credit made pursuant to the agreement shall not be annulled, modified, set aside or disregarded in any suit, action, or proceeding. (3270/Reso. 6970)
- (D) The Tax Collector shall report in writing its activities under this Section to the Mayor and City Council on or before February 1 of each year. (3270/Reso. 6970)

5-10-550: LIMITATION PERIODS:**(A) Limitation When a Return Has Been Filed.**

1. Except as provided elsewhere in this Section, the Tax Collector may assess additional tax due at any time within four (4) years after the date on which the return is required to be filed or within four (4) years after the date on which the return is filed, whichever period expires later. (3270/Reso. 6970)
2. However, if a taxpayer does not report an amount properly reportable which is in excess of twenty-five percent (25%) of the taxable amount stated on the return, the Tax Collector may assess additional tax due at any time within six (6) years after the date on which the return was filed. (2535,3270/Reso. 6970)
3. Any delay in commencement or completion of any examination by the Tax Collector which is requested or agreed to in writing by the taxpayer shall be excluded from the computation of any limitation period prescribed by this Section; the Tax Collector shall be entitled to make a determination for taxes due without exclusion of any such time period, and any limitation period shall be extended for a length of time equivalent to the period of the agreed-upon delay. (3270/Reso. 6970)
4. Any assessment by the Tax Collector of additional tax due shall be deemed to have been made by mailing a copy of a notice of audit assessment by certified mail to the taxpayer's address of record with the Tax Collector or by personal delivery of a copy of a notice of audit assessment to the taxpayer or his authorized agent.

(B) Suspension of Limitation Period. The limitation period on assessment shall be suspended for any period: (3270/Reso. 6970)

1. The assets of the taxpayer are in the control or custody of the court in any proceeding before any court of jurisdiction within the United States of America, and for one hundred eighty (180) calendar days thereafter; or
2. Which the taxpayer and the Tax Collector agree upon in writing. (3270/Reso. 6970)

(C) When No Return Filed; Fraudulent Return. In the case of a fraudulent return with the intent to evade tax or the failure or refusal to file a return for any month, the Tax Collector may assess the amount of taxes payable for that month at any time without any reliance by the taxpayer upon any time limitation provided elsewhere in this Chapter. (3270/Reso. 6970)**(D) Special Provisions Relating to Owner-Builders. The limitation for an owner-builder subject to the tax as prescribed in Section 5-10-417 shall be based upon the date such tax liability is reportable or was reported as provided in Section 5-10-417.****5-10-553: EXAMINATION OF TAXPAYER RECORDS; JOINT AUDITS (3921)****(A) Waiver of Joint Audit. A taxpayer that does not authorize a joint audit to be conducted for a tax jurisdiction is subject to audit by that tax jurisdiction at any time subject to the limitation provisions provided in Section 5-10-550. (3921)**

- (B) Tax Jurisdiction Acceptance of Joint Audit. If the Arizona Department of Revenue intends to conduct an audit of a taxpayer, the cities or towns for whom a joint audit is being conducted may accept the audit by the Arizona Department of Revenue or may elect to have a representative participate, provided that no more than two (2) city or town representatives in total may participate. (3921)
1. If a city or town does not accept the audit as a joint audit, the city or town may not conduct an audit of the taxpayer for forty-two (42) months from the close of the last tax period covered by the audit unless an exception applies to that taxpayer pursuant to A.R.S. Section 42-2059. (3921)
 2. If a joint audit is performed by a city or town, the Arizona Department of Revenue is not prohibited from conducting an audit that does not violate the provisions of A.R.S. Section 42-2059. (3921)

5-10-555: TAX COLLECTOR MAY EXAMINE BOOKS AND OTHER RECORDS; FAILURE TO PROVIDE RECORDS:

- (A) The Tax Collector may require the taxpayer to provide and may examine any books, records, or other documents of any person who, in the opinion of the Tax Collector, might be liable for any tax under this Chapter for any periods available to him under Section 5-10-550.
- (B) In order to perform any examination authorized by this Chapter, the Tax Collector may issue an Administrative Request for the attendance of witnesses or for the production of documents as provided by regulation.
- (C) If within sixty (60) days of receiving a written request for information in the possession of the taxpayer, the taxpayer fails or refuses to furnish the requested information, the Tax Collector may, in addition to penalties prescribed under Section 5-10-540, impose an additional penalty of twenty-five percent (25%) of the amount of any tax deficiency which is attributable to the information which the taxpayer failed to provide, unless the taxpayer shows that the failure was due to reasonable cause and not due to willful neglect. (3270/Reso. 6970)
- (D) The Tax Collector may use any generally accepted auditing procedures, including sampling techniques, to determine the correct tax liability of any taxpayer. The Tax Collector shall ensure that the procedures used are in accordance with generally accepted auditing standards. (3270/Reso. 6970)
- (E) The fact that the taxpayer has not maintained or provided such books and records which the Tax Collector considers necessary to determine the tax liability of any person does not preclude the Tax Collector from making any assessment. In such cases, the Tax Collector is authorized to use estimates, projections, or samplings to determine the correct tax. The provisions of Section 5-10-545(B) concerning estimates shall apply.
- (F) The Tax Collector shall give the taxpayer written notice of his determination of a deficiency by certified mail to the taxpayer's address of record with the Tax Collector, and the tax deficiency, plus interest and penalties, is final forty-five (45) days from the date of receipt of the notice by the taxpayer unless an appeal is taken pursuant to the provisions of Sections 5-10-570 through 5-10-575. (2977/Reso. 6722)

5-10-556: NO ADDITIONAL AUDITS OR PROPOSED ASSESSMENTS; EXCEPTIONS:

- (A) Once the Tax Collector completes an examination authorized by Section 5-10-555 and a written notice of the determination of a deficiency has been issued to the taxpayer pursuant to Section 5-10-545(A) or 5-10-555(F), the taxpayer's liability for the time period subjected to the examination is fixed and determined, and no additional audit or examination may be conducted by the Tax Collector with respect to such time period except under the following circumstances: (3270/Reso. 6970)
1. If a taxpayer files a claim for refund under Section 5-10-560, the Tax Collector may conduct an examination limited to the issues presented in the refund claim. (3270/Reso. 6970)
 2. If the taxpayer failed to disclose material information during the initial examination, falsified books or records, or otherwise engaged in conduct which prevented the Tax Collector from conducting an accurate examination. The applicability of this Subsection and the Tax Collector's right to proceed thereunder may be raised and contested by the taxpayer in a subsequent administrative review brought pursuant to Section 5-10-570. (3270/Reso. 6970)
- (B) An audit or examination conducted by any other taxing jurisdiction will not preclude the Tax Collector from conducting an audit or examination for the same time period. (3270/Reso. 6970)
- (C) If the Tax Collector issues a notice of deficiency pursuant to either Section 5-10-545(A) or Section 5-10-555(F), the Tax Collector may not increase the proposed deficiency except in one (1) or more of the following circumstances: (3270/Reso. 6970)
1. The taxpayer made a material misrepresentation of fact. (3270/Reso. 6970)
 2. The taxpayer failed to disclose a material fact. (3270/Reso. 6970)
 3. The Tax Collector submitted a written request for information prior to issuance of the assessment, and the taxpayer, despite possessing or having access to such information, failed to provide it within sixty (60) days as required by Section 5-10-555(C). (3270/Reso. 6970,3476/Reso. 7209)
 4. After issuing the notice of determination of deficiency but before the deficiency became final, the Arizona Tax Court, Court of Appeals, or Supreme Court issued a decision, the applicability of which causes the deficiency initially proposed to increase. (3270/Reso. 6970)

5-10-560: ERRONEOUS PAYMENT OF TAX; CREDITS AND REFUNDS; LIMITATIONS:

- (A) The Tax Collector may authorize either credits or payments of refunds for any taxes, penalties, or interest paid in excess of the amount actually due. Any credit authorized by the Tax Collector shall be cancelled from the accounts of the City if no timely filed request for credit or refund is made by the claimant claiming same within one (1) year following the date of determination and notice by the Tax Collector of the excess payment. For purposes of this section, "claimant" means a taxpayer that has paid a tax imposed under this article and has submitted a credit or refund claim under this section. Except where the taxpayer has granted a customer a power of attorney to pursue a credit or refund claim on the taxpayer's behalf, claimant does not include any customer of such taxpayer, whether or not the claimant collected the tax from customers by separately stated itemization. (3270, 4582/Reso. 6970)

- (B) No credit shall be allowed or refund paid except under one (1) of the following conditions: (3270/Reso. 6970)
1. As provided in Section 5-10-565.
 2. Upon examination of filed returns for any period not excluded by Section 5-10-550 and not to exceed the tax, penalty, or interest actually paid with such returns. (3270/Reso. 6970)
 3. Upon audit or other examination of the books and records of the taxpayer, but only for periods as provided in Section 5-10-550. In the case of an examination performed at the taxpayer's request, credit shall be allowed or refund paid only for any excess taxes, penalties, or interest actually paid within the limitation period provided in Section 5-10-550, such period to be calculated from the date of receipt of the taxpayer's request by the Tax Collector. Requests by taxpayers for audits to authorize credits shall be honored unless, in the opinion of the Tax Collector, the taxpayer has made excessive requests for audits. (3270/Reso. 6970)
 4. Upon the claimant's submission of a written claim for credit or refund of any taxes, penalties, or interest paid to the City by the claimant. (3270,4582/Reso. 6970)
- (C) A credit or refund claim submitted by a claimant pursuant to subsection (B)(4) of this section must:
1. Identify the name, address and city tax identification number of the taxpayer; and (4582)
 2. Identify the dollar amount of the credit or refund requested; and (4582)
 3. Identify the specific tax period involved: and (4582)
 4. Identify the specific grounds upon which the claim is based. (4582)
- (D) When a written claim for credit or refund is submitted pursuant to subsection (B)(4) of this section, no credit shall be allowed or refund paid except for those taxes, penalties, or interest paid in excess of the amount due within the limitation period provided in Section 5-10-550. The credit or refund limitation period shall be calculated from the date the Tax Collector receives the claimant's written claim meeting the requirements of Subsection (C) of this section. (3270,4582/Reso. 6970)
- (E) The following additional requirements apply to the Tax Collector and the claimant for claims for credit or refund submitted pursuant to Subsection (B)(4) of this section: (3270,4582/Reso. 6970)
1. The Tax Collector shall notify the claimant that the claim for credit or refund has been received and shall indicate whether the claim meets the requirements of Subsection (C) of this section. If the claim does not meet the requirements of Subsection (C) of this section, the Tax Collector shall identify the deficiency in writing. Any claim that does not meet the requirements of Subsection (C) of this section shall not secure the limitation period pursuant to section 5-10-550. (4582)
 2. The Tax Collector may request, in writing, additional information or documentation from the claimant to support the requested credit or refund. Such information or documentation must be reasonably related to the claim and required to be maintained under this chapter in the normal course of business. (4582)

- (a) The claimant may request in writing one or more extensions to supply the requested information or documentation. The Tax Collector may reject an extension request only by denying the claim in whole or in part, subject to appeal by the claimant pursuant to Section 5-10-570 (4582)
 - (b) A claimant aggrieved by a request for information or documentation under this subsection may file an appeal in the manner provided for in Section 5-10-570 regarding the scope of the request for information or documentation. Such petition must be filed no later than the last day by which requested information or documentation must be provided to the Tax Collector, including any extensions. The decision of the Hearing Officer regarding a request for information or documentation may not be appealed by either party until the claim has been approved or denied, in whole or in part, under Subsection (H) of this section or through Subsubsections (E)(3) or (E)(4) of this section. A claimant shall not be barred from raising the issue of the reasonableness of the Tax Collector's information or documentation request in an appeal filed under Subsection (H) of this section or through Subsubsections (E)(3) or (E)(4) of this section through a lack of filing a petition under this Subsubsection. (4582)
3. If the Tax Collector fails to request additional information or documentation pursuant to this section and fails to issue a determination on any claim for credit or refund within six (6) months after the claim is filed, the claimant may consider the claim denied and may file an appeal pursuant to Section 5-10-570. (4582)
 4. If the Tax Collector fails to issue a determination within six (6) months of receiving all requested additional information or documentation, the claimant may consider the claim for credit or refund denied and may file an appeal pursuant to Section 5-10-570. (4582)
 5. The burden of proof to show that a notice, request, determination or other communication was received by the claimant in this section is on the Tax Collector, and will be satisfied by receipt of notice. The burden of proof to show that a claim or additional information or documentation was received by the Tax Collector is on the claimant and will be satisfied by receipt of notice. (4582)
- (F) Interest shall be allowed on the overpayment of tax for any credit or refund authorized pursuant to Subsections (B)(3) or (B)(4) of this section. Such interest shall be allowed on the overpayment of tax at the rate and in the manner set forth in Section 5-10-540 (A), as follows: (3270,4582/Reso. 6970)
1. For credits or refunds authorized pursuant to Subsection (B) (3) of this section, interest shall be calculated from the date the Tax Collector receives the claimant's written claim following the date of notice to the claimant authorizing the credit or refund. (4582)
 2. For credits or refunds authorized pursuant to Subsection (B)(4) of this section, interest shall be calculated from the date the Tax Collector receives the claimant's written claim meeting the requirements of subsection (C) of this section. (4582)
- (G) The Tax Collector shall give the claimant a written notice of determination for a claim made under Subsection (B) of this section. If the determination is a denial of a claim, in whole or in part, the determination must state that the claim for credit or refund has been denied in whole or in part, with the reason for denial, and must include the claimant's rights of appeal pursuant to section 5-10-570. (4582)

- (H) A determination by the Tax Collector under this section, whether an approval of a claim or a denial of a claim, in whole or in part, shall become final forty-five (45) days from the date of receipt of the notice by the claimant, unless an appeal is made pursuant to Section 5-10-570. If the claimant is the prevailing party in an appeal of a determination under this section, Section 5-10-578 shall apply, except that reasonable fees and other costs may be awarded either by the Hearing Officer or court and are not subject to the monetary limitations of Subsection 5-10-578(E) if the tax collector's position was not substantially justified or was brought for the purpose of harassing the claimant, frustrating the credit or refund process or delaying the credit or refund. For the purposes of this section, "reasonable fees and other costs" means fees and other costs that are based on prevailing market rates for the kind and quality of the furnished services, not to exceed the amounts actually paid for expert witnesses, the cost of any study, analysis, report, test, project or computer program that is found to be necessary to prepare the claimant's case and necessary fees for attorneys or other representatives. (4582)
- (I) The amendments to this section as enacted in Ordinance #4582 shall be effective as follows:
1. For any claim for refund or credit received by the Tax Collector before October 1, 2005, (4582)
 - (a) The provisions of this section as it existed prior to the adoption of Ordinance #4582 shall apply, except that interest shall be allowed from and after October 1, 2005 as provided in Subsection (F) of this section as enacted by Ordinance #4582. (4582)
 - (b) Except as noted in Subsection (1)(A) above, the amendments to this section as enacted in Ordinance #4582 shall not be cited or considered in the construction or the interpretation of the city tax refund or credit provisions, interest provisions, or appeal provisions in effect prior to October 1, 2005. (4582)
 2. The provisions of this section enacted by ordinance #4582 shall apply to all claims for refund or credit, for any periods as determined by subsections (D) or (E) of this section, received by the Tax Collector from and after October 1, 2005, except for claims that, in whole or in part, had been received by the collector prior to October 1, 2005. (4582)
- (J) Any refund paid under the provisions of this section shall be paid from the privilege tax revenue accounts. (4582)

5-10-565: PAYMENT OF TAX BY THE INCORRECT TAXPAYER OR TO THE INCORRECT ARIZONA CITY OR TOWN: (3270/RESO. 6970)

- (A) When it is determined that taxes have been reported and paid to the City by the wrong taxpayer, any taxes erroneously paid shall be transferred by the City to the privilege tax account of the person who actually owed and should have paid such taxes, provided that the City receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax. (3270/Reso. 6970)
- (B) An assignment and waiver provided under this Section must: (3270/Reso. 6970)

 2. Provide that the person who erroneously paid the tax waives any right such person may have to a refund of the taxes erroneously paid. (3270/Reso. 6970)
 3. Authorize the City treasurer to transfer the erroneously paid tax to the privilege tax account of the person who should have paid the tax. (3270/Reso. 6970)

- (C) When it is determined that taxes have been reported and paid to the wrong Arizona city or town, such taxes shall be remitted to the correct city or town, provided that the city or town to whom the taxes were erroneously paid receives an assignment and waiver signed by both the person who actually paid the tax and the person who should have paid the tax. Where the person who actually paid the tax and the person who should have paid the tax are one and the same, no assignment and waiver need be provided. The City shall neither pay nor charge any interest or penalty on any overpayment or underpayment except such interest and penalty actually paid by the taxpayer relating to such tax. (3270/Reso. 6970)
- (D) This Section in no way limits or restricts the applicability of any remedies which may otherwise be available under A.R.S. §42-1452. The limitations and procedures set forth in A.R.S. §42-1452 shall apply to all payments under this Section. (3270/Reso. 6970)
- (E) When reference is made in this Section to this City or an Arizona city or town and payments made to or requested from this City or an Arizona city or town, the provisions shall be applicable to the Arizona Department of Revenue when it is acting for or on behalf of this City or an Arizona city or town. (3270/Reso. 6970)

5-10-567: (RESERVED) (3270/RESO. 6970)

5-10-570: ADMINISTRATIVE REVIEW; PETITION FOR HEARING OR FOR REDETERMINATION; FINALITY OF ORDER: (3270/RESO. 6970)

For purposes of this section, "Municipal Tax Hearing Office" means the administrative offices of the Municipal Tax Hearing Officer. (3921)

- (A) Informal Conference. A taxpayer shall have the right to discuss any proposed assessment with the auditor prior to the issuance of any assessment, but any such informal conference is not required for the taxpayer to file a petition for administrative review.
 - (B) Administrative Review. (3270/Reso. 6970)
1. Filing a Petition. Other than in the case of a jeopardy assessment, a taxpayer may contest the applicability or amount of any tax, penalty, or interest imposed upon or paid by him pursuant to this Chapter by filing a petition for a hearing or for redetermination with the Tax Collector as set forth below:
 - (a) Within forty-five (45) days of receipt by the taxpayer of notice of a determination by the Tax Collector that a tax, penalty, or interest amount is due or that a request for refund or credit has been denied;
 - (b) By voluntary payment of any contested amount when accompanied by a timely filed return and a petition requesting a refund of the protested portion of said payment;
 - (c) By petition accompanying a timely filed return contesting an amount reported but not paid; or
 - (d) By petition requesting review of denial of waiver of penalty as provided in Subsection 5-10-540(G). (3270/Reso. 6970)

2. Extension to File a Petition. In all cases, the taxpayer may request an extension from the Tax Collector. Such request must be in writing, state the reasons for the requested delay, and must be filed with the Tax Collector within the period allowed above for originally filing a petition. The Tax Collector shall allow a forty-five (45) day extension to file a petition, when such written request has been properly and timely made by the taxpayer. The Tax Collector may grant an additional extension and may determine the corresponding time of any such extension at his sole discretion. (4979)
3. Requirements for Petition.
 - (a) The petition shall be in writing and shall set forth the reasons why any correction, abatement, or refund should be granted and the amount of reduction or refund requested. The petition may be amended at any time prior to the time the taxpayer rests his case at the hearing or such time as the Hearing Officer allows for submitting of amendments in cases of redeterminations without hearings. The Hearing Officer may require that amendments be in writing, and in that case, he shall provide a reasonable period of time to file the amendment. The Hearing Officer shall provide a reasonable period of time for the Tax Collector to review and respond to the petition and to any written amendments.
 - (b) The taxpayer, as part of the petition, may request a hearing which shall be granted by the Hearing Officer. If no request for hearing is made, the petition shall be considered to be submitted for decision by the Hearing Officer on the matters contained in the petition and in any reply made by the Tax Collector.
 - (c) The provisions of this Section are exclusive, and no petition seeking any correction, abatement, or refund shall be considered unless the petition is timely and properly filed under this Section.
4. Transmittal to the Hearing Officer. The City shall designate a Hearing Officer, who may be other than an employee of the City. The Tax Collector, if designated to receive petitions, shall forward any petition to the Municipal Tax Hearing Office (MTHO) within twenty (20) days after receipt, accompanied by documentation as to timeliness. In cases where the Hearing Officer determines that the petition is not timely or not in proper form, he shall notify both the taxpayer and the Tax Collector; and in cases of petitions not in proper form only, the Hearing Officer shall provide the taxpayer with an extension up to forty-five (45) days to correct the petition. (2535,3270/Reso. 6970, 3921)
5. Hearings shall be conducted by a Hearing Officer and shall be continuous until the Hearing Officer closes the record. The taxpayer may be heard in person or by his authorized representative at such hearing. Hearings shall be conducted informally as to the order of proceeding and presentation of evidence. The Hearing Officer shall admit evidence over hearsay objections where the offered evidence has substantial probative value and reliability. Further, copies of records and documents prepared in the ordinary course of business may be admitted, without objection as to foundation, but subject to argument as to weight, admissibility, and authenticity. Summary accounting records may be admitted subject to satisfactory proof of the reliability of the summaries. In all cases, the decision of the Hearing Officer shall be made solely upon substantial and reliable evidence. All expenses incurred in the hearing shall be paid by the party incurring the same. (2535)
6. Redeterminations upon a "petition for redetermination" shall follow the same conditions, except that no oral hearing shall be held.
7. Hearing Ruling. In either case, the Hearing Officer shall issue his ruling not later than forty-five (45) days after the close of the record by the Hearing Officer.
8. Notice of Refund or Adjusted Assessment. Within sixty (60) days of the issuance of the Hearing Officer's decision, the Tax Collector shall issue to the taxpayer either a notice of refund or an adjusted assessment recalculated to conform to the Hearing Officer's decision. (3270/Reso. 6970)

- (C) Stipulations That Future Tax is Also Protested. A taxpayer may enter into a stipulation with the Tax Collector that future taxes of similar nature are also at issue in any protest or appeal. However, unless such stipulation is made, it is presumed that the protest or appeal deals solely and exclusively with the tax specifically protested and no other. When a taxpayer enters into such a stipulation with the Tax Collector that future taxes of similar nature will be included in any redetermination, hearing, or court case, it is the burden of that taxpayer to identify, segregate, and keep record of such income or protested taxable amount in his books and records in the same manner as the taxpayer is required to segregate exempt income. (3270/Reso. 6970)
- (D) When an Assessment is Final. (3270/Reso. 6970)
1. If a request for administrative review and petition for hearing or redetermination of an assessment made by the Tax Collector is not filed within the period required by Subsection (B) above, such person shall be deemed to have waived and abandoned the right to question the amount determined to be due, and any tax, interest, or penalty determined to be due shall be final as provided in Subsections 5-10-545(A) and 5-10-555(F).
 2. The decision made by the Hearing Officer upon administrative review by hearing or redetermination shall become final thirty (30) days after the taxpayer receives the notice of refund or adjusted assessment required by Subsection (B)8 above, unless the taxpayer appeals the order or decision in the manner provided in Section 5-10-575. (3270/Reso. 6970)

(E) (Reserved)

5-10-571: JEOPARDY ASSESSMENTS:

- (A) If the Tax Collector believes that the collection of any assessment or deficiency of any amounts imposed by this Chapter will be jeopardized by delay, he shall deliver to the taxpayer a notice of such finding and demand immediate payment of the tax or deficiency declared to be in jeopardy, including interest, penalties, and additions.
- (B) Jeopardy assessments are immediately due and payable, and the Tax Collector may immediately begin proceedings for collection. The taxpayer, however, may stay collection by filing, within ten (10) days after receipt of notice of jeopardy assessment or within such additional time as the Tax Collector may allow, by bond or collateral in favor of the City in the amount Tax Collector declared to be in jeopardy in his notice.
- (C) Bond or Collateral.
1. "Bond or collateral" shall mean either:
 - (a) A bond issued in favor of the City by a surety company authorized to transact business in this State and approved by the Director of Insurance as to solvency and responsibility or
 - (b) Collateral composed of securities or cash which are deposited with, and kept in the custody of, the Tax Collector.
 2. Shall be of such form that it may, at any time without notice, be applied to any tax, penalties, or interest due and payable for the purposes of this Chapter. Securities held as collateral by the Tax Collector must be of a nature that they may be sold at public or private sale without notice to the taxpayer.

- (D) If bond or collateral is not filed within the period prescribed by Subsection (B) above, the Tax Collector may treat the assessment as final for purposes of any collection proceedings. The taxpayer nevertheless shall be afforded the appeal rights provided in Sections 5-10-570 and 5-10-575. The filing of a petition by the taxpayer under Section 5-10-570, however, shall not stay the Tax Collector's rights to pursue any collection proceedings. (2321)
- (E) If the taxpayer timely files sufficient bond or collateral, the jeopardy requirements are deemed satisfied, and the taxpayer may avail himself of the provisions of Section 5-10-570, including requests for additional time to file a petition.

5-10-572: EXPEDITED REVIEW OF JEOPARDY ASSESSMENTS: (3270/RESO. 6970)

- (A) Within thirty (30) days after the day on which the Tax Collector furnishes the written notice required by Section 5-10-571(A), the taxpayer, pursuant to Section 5-10-570, may request the Tax Collector to review the action taken. Within fifteen (15) days after the request for review, the Tax Collector shall determine whether both the jeopardy determination and the amount assessed are reasonable. (3270/Reso. 6970)
- (B) Within thirty (30) days after the Tax Collector notifies the taxpayer of the determination he reach pursuant to Subsection (A) above, the taxpayer may bring a civil action in the appropriate court. If the taxpayer so requests, the City shall stipulate to an accelerated and expedited resolution of the civil action. If the court determines that either the jeopardy determination or the amount assessed is unreasonable, the court may order the Tax Collector to abate the assessment, to predetermine any part of the amount assessed, or to take such other action as the court finds to be appropriate. A determination made by the court under this Subsection is final except as provided in Arizona Revised Statutes §12-170. (3270/Reso. 6970)

5-10-575: JUDICIAL REVIEW:

- (A) A taxpayer may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action against the City in the appropriate Court of this County. A taxpayer is not required to pay any tax, penalty, or interest upheld by the Hearing Officer before seeking such judicial review. (3270/Reso. 6970)
- (B) The Tax Collector may seek judicial review of all or any part of a Hearing Officer's decision by initiating an action in the appropriate Court of this County.
- (C) An action for judicial review cannot be commenced by either the taxpayer or the Tax Collector more than thirty (30) days after receipt by the taxpayer of notice of any refund or assessment recalculated or reduced to conform to the Hearing Officer's decision, unless the time to commence such an action is extended in writing signed by both the taxpayer and the Tax Collector. Failure to bring the action within thirty (30) days or such other time as is agreed upon in writing shall constitute a waiver of any right to judicial review, except as provided in Subsection (F) below. (3270/Reso. 6970)
- (D) The court shall hear and determine the appeal as a trial de novo; however, the Tax Collector cannot raise in the court any grounds or basis for the assessment not asserted before the Hearing Officer. Nothing in this Subsection, however, shall preclude the Tax Collector from responding to any arguments which are raised by the taxpayer in the appeal. (3270/Reso. 6970)

- (E) The City has the burden of proof by a preponderance of the evidence in any court proceeding regarding any factual issue relevant to ascertaining the tax liability of a taxpayer. This Subsection does not abrogate any requirement of this Chapter that requires a taxpayer to substantiate an item of gross income, exclusion, exemption, deduction, or credit. This Subsection applies to a factual issue if a preponderance of the evidence demonstrates that: (3729/Reso. 7458)
1. The taxpayer asserts a reasonable dispute regarding the issue. (3729/Reso. 7458)
 2. The taxpayer has fully cooperated with the Tax Collector regarding the issue, including providing within a reasonable period of time, access to and inspection of all witnesses, information, and documents within the taxpayer's control, as reasonably requested by the Tax Collector. (3729/Reso. 7458)
 3. The taxpayer has kept and maintained records as required by the City. (3729/Reso. 7458)
- (F) The issuance of an adjusted or corrected assessment or notice of refund due to the taxpayer, where made by the Tax Collector pursuant to the decision of the Hearing Officer, shall not be deemed an acquiescence by the City or the Tax Collector in said decision, nor shall it constitute a bar or estoppel to the institution of an action or counterclaim by the City to recover any amounts claimed to be due to it by virtue of the original assessment. (3729/Reso. 7458)
- (G) After the initiation of any action in the appropriate court by either party, the opposite party may file such counterclaim as would be allowed pursuant to the Arizona Rules of Civil procedure. (3729/Reso. 7458)

5-10-577: REFUNDS OF TAXES PAID UNDER PROTEST:

In the event the Hearing Officer's decision or a final judgment by the Court is rendered in favor of the taxpayer to recover protested taxes, it shall be the duty of the Tax Collector, upon receipt of such decision or of a certified copy of such final judgment, to authorize a warrant in favor of the taxpayer in an amount equal to the amount of the tax found by such decision or by the final judgment to have been paid under protest, and such warrant shall include the amount of interest or other cost that may have been recovered against the City by the final judgment in such action in the courts, to be paid from the Privilege Tax revenue accounts.

5-10-578: REIMBURSEMENT OF FEES AND OTHER COSTS; DEFINITIONS: (3270/RESO. 6970)

- (A) A taxpayer who is a prevailing party may be reimbursed for reasonable fees and other costs related to any administrative proceeding brought by the taxpayer pursuant to Section 5-10-570(B). For purposes of this Section, a taxpayer is considered to be the prevailing party only if both of the following are true: (3270/Reso. 6970)

 2. The taxpayer prevails as to the most significant issue or set of issues. (3270/Reso. 6970)
- (B) Reimbursement under this Section may be denied if any of the following circumstances apply: (3270/Reso. 6970)
1. During the course of the proceeding the taxpayer unduly and unreasonably protracted the final resolution of the matter. (3270/Reso. 6970)
 2. The reason that the taxpayer prevailed is due to an intervening change in the applicable law. (3270/Reso. 6970)

- (C) The taxpayer shall present an itemization of the reasonable fees and other costs to the Taxpayer Problem Resolution Officer within thirty (30) days after receipt by the taxpayer of a notice of refund or recalculated assessment issued by the Tax Collector pursuant to Section 5-10-570(B)8. The Taxpayer Problem Resolution Officer shall determine the validity of the fees and other costs within thirty (30) days after receiving the itemization. The Taxpayer problem Resolution Officer's decision is considered a final decision. Either the taxpayer or the Tax Collector may seek judicial review of the Taxpayer Problem Resolution Officer's decision. An action for judicial review, however, shall not be commenced more than thirty (30) days after receipt of the Resolution Officer's decision. (3270/Reso. 6970)
- (D) In the event judicial review is not sought pursuant to Subsection (C) above, the City shall pay these fees and other costs awarded as provided in this Section within thirty (30) days after demand by a person who has received an award pursuant to this Section. (3270/Reso. 6970)
- (E) Reimbursement to a taxpayer under this Section shall not exceed twenty thousand dollars (\$20,000.00) or actual monies spent, whichever is less. The reimbursable attorney or representative fees shall not exceed one hundred dollars (\$100.00) per hour or actual monies spent, whichever is less, unless the Taxpayer Problem Resolution Officer determines that an increase in the cost of living or a special factor such as the limited availability of qualified attorneys or representatives for the proceeding involved justifies a higher fees. (3270/Reso. 6970)
- (F) For purposes of this Section, "reasonable fees and other costs" means fees and other costs that are based on prevailing market rates for the kind and quality of the furnished services, but not exceeding the amounts actually spent for expert witnesses; the cost of any study, analysis, report, test, or project that is found to be necessary to prepare the party's case; and necessary fees for attorneys or other representatives. After the notice and claim of lien is recorded or filed, the taxes, penalties, interest, and recording costs and lien processing fees referred to above in the amounts specified therein shall be a lien on all real property of the taxpayer located in such county where recorded and all tangible personal property of the taxpayer within the State, superior to all other liens and assessments recorded or filed subsequent to the recording or filing of the notice and claim of lien.  - (1) Any person who is a creditor or an affiliate of creditor, who acquires improved real property directly or indirectly from the creditor's debtor by any means set forth in this Subsection, shall pay the tax based on the amount received by the creditor or its affiliate in a subsequent sale of such improved real property to a party unrelated to the creditor, regardless of when such subsequent sale takes place. Such tax shall be due in the month following the month in which the sale of the improved real property by the creditor or its affiliate occurs. Notwithstanding the foregoing, if the real property meets the definition of partially improved residential real property in Section 5-10-416(A)(4) and all of the requirements of Section 5-10-416(B)(4) are met by the parties to the subsequent sale transaction, then the tax shall not apply to the subsequent sale. (5017)

(5017)

- (5) Notwithstanding anything in this Chapter to the contrary, if a creditor or its affiliate is subject to tax as described in Paragraph 1 or Paragraph 2 of this Subsection and such creditor or affiliate has not previously been required to be licensed, such creditor or affiliate shall become licensed no later than the date on which the tax is due. (5017)
- (D) A person's successors or assignees shall withhold from the purchase money an amount sufficient to cover the taxes required to be paid and interest or penalties due and payable until the former owner produces a receipt from the Tax Collector showing that all City tax has been paid or a certificate stating that no amount is due as then shown by the records of the Tax Collector. The Tax Collector shall respond to a request from the seller for a certificate within fifteen (15) days by either providing the certificate or a written notice stating why the certificate cannot be issued.

 2. If the purchaser of a business or stock of goods fails to obtain a certificate as provided by this Section, he is personally liable for payment of the amount of taxes required to be paid by the former owner on account of the business so purchased with interest and penalties accrued by the former owner or assignees. - (B) The Tax Collector, without notice, may alter, modify, or terminate an installment payment agreement if the taxpayer: (3270/Reso. 6970)

(3270/Reso. 6970)

- (D) The Tax Collector, without notice, may terminate an installment payment agreement if the Tax Collector believes that the collection of tax to which the payment agreement pertains is in jeopardy. (3270/Reso. 6970)
- (E) If the Tax Collector determines that the financial condition of a taxpayer has improved, the Tax Collector may alter, modify, or terminate the agreement by providing notice to the taxpayer at least thirty (30) days before the effective date of the action. The notice shall include the reasons why the Tax Collector believes the alteration, modification, or termination is appropriate. (3270/Reso. 6970)
- (F) An installment payment agreement shall remain in effect for the term of the agreement except as otherwise provided in this Section. (3270/Reso. 6970)
- (G) A taxpayer who is aggrieved by a decision of the Tax Collector to refuse to enter into an installment payment agreement or to alter, modify, or terminate an agreement entered into pursuant to this Section may petition the Taxpayer Problem Resolution Officer to review that determination. 5-10-620: USE TAX; LIABILITY FOR TAX:

The following persons shall be deemed liable for the tax imposed by this Article, and such liability shall not be extinguished until the tax has been paid to this City, except that a receipt from a retailer separately charging the tax imposed by this Chapter is sufficient to relieve the person acquiring such property from further liability for the tax to which the receipt refers:

- (A) Any person who acquires tangible personal property from a retailer, whether or not such retailer is located in this City, when such person stores or uses said property within the City.
- (B) Any retailer not located within the City selling, renting, leasing, or licensing tangible personal property for storage or use of such property within the City may obtain a license from the Tax Collector and collect the use tax on such transactions. Such retailer shall be liable for the use tax to the extent such use tax is collected from his customers.
- (C) Every agent within the City of any retailer not maintaining an office or place of business in this City, when such person sells, rents, leases, or licenses tangible personal property for storage or use in this City, shall at the time of such transaction collect and be liable for the tax imposed by this Article upon the storage or use of the property so transferred, unless such retailer or agent is liable for an equivalent excise tax upon the transaction.

In the event that an equivalent excise tax has been levied and paid upon tangible personal property which is acquired to be stored or used within this City, full credit for any and all such taxes so paid shall be allowed by the Tax Collector, but only to the extent use tax is imposed upon that transaction by this Article.

5-10-650: USE TAX; EXCLUSION WHEN ACQUISITION SUBJECT TO USE TAX IS TAXED OR TAXABLE ELSEWHERE IN THIS CHAPTER; LIMITATION:

The tax levied by this Article does not apply to the storage or use in this City of tangible personal property acquired in this City, the gross income from the sale, rental, lease, or license of which were included in the measure of the tax imposed by Article IV of this Chapter; provided, however, that any person who has acquired tangible personal property from a vendor in this City without paying the City privilege tax because of a representation to the vendor that the property was not subject to such tax, when such claim is not sustainable, may not claim the exclusion from such use tax provided by this Section.

5-10-660: USE TAX; EXEMPTIONS:

The storage or use in this City of the following tangible personal property is exempt from the Use Tax imposed by this Article:

7. "Food." (IN98-1/Election 3-14-00)

- (a) Food is defined as those items that may be purchased from an eligible grocery business with food coupons, but in no event may such definition of food include food for consumption on the premises, alcoholic beverages, or tobacco. Even though alcoholic beverages and food for consumption on the premises may be intended for human consumption, such items are not considered food by the statutory provisions. In these rules, items that are considered food by the statutes, and therefore tax exempt if sold by a qualified retailer, shall be referred to as "tax-exempt foods." Other items that may be intended for human consumption but are excluded from the definition of food by the statute, and are therefore subject to the sales tax, shall be referred to herein as "taxable foods." (IN98-1/Election 3-14-00)
- (b) "Food" means: Items intended for human consumption. Food is deemed to be intended for human consumption when its intended or ordinary use is as a food for human consumption or is an ingredient used in preparing food for human consumption. For example, even though animal food may be used by some humans, its ordinary or intended use is not for human consumption. Also, even though vitamins and other medication may be ingested, its intended or ordinary use is as a health aid or therapeutic agent or a deficiency corrector and is not intended for use as food. Following is a numeration of items which the City does not consider food for human consumption: (IN98-1/Election 3-14-00)

While food for consumption on the premises includes any food sold within the premises of certain businesses, including businesses that charge admission, entrance, or cover fees for exhibition, amusement, entertainment, or instruction, food for consumption on the premises does not include sales of tax-exempt food by a qualified retailer within the premises of a full-time educational institution that charges tuition for a full course of studies. (IN98-1/Election 3-14-00)
- (b) Any item enumerated in subparagraph (a) which is sold on a take-out or to-go basis is still considered to be food for consumption on the premises and therefore taxable. (IN98-1/Election 3-14-00)
9. "Food intended for home consumption" means food, other than food for consumption on the premises, which is usually intended to be consumed at home. - (a) A qualified retailer or qualified retail business is one that may be eligible to sell tax-exempt food without including the sale of tax-exempt food items in its taxable base. A retailer other than a qualified retailer must pay a tax measured by the sale of otherwise exempt food even though the sale of such items would be exempt if sold by a qualified retailer. (IN98-1/Election 3-14-00)
 - (b) Qualified retailers are: (IN98-1/Election 3-14-00)
 - i. An eligible grocery business, which includes retailers who are eligible to participate in the United States Department of Agriculture Food Stamp Program, whether such retailer actually participates in the Food Stamp Program. If a retailer is eligible to participate in the Food Stamp Program, but does not participate in such program, such retailer may only be an eligible grocery business if the retailer first makes application to the Arizona Department of Revenue (and is approved by the State) to sell food tax exempt.  - iv. Delicatessen business, if such retailer conducts his business so that the sale of tax-exempt foods and other taxable items may be separately accounted for, through, for example, the use of two (2) cash registers, or a cash register with at least two (2) tax-computing keys which are used to record taxable and tax-exempt sales. (IN98-1/Election 3-14-00)
 - v. A retailer who is a street or sidewalk vendor who uses a pushcart, mobile facility, motor vehicle, or other such conveyance. Such retailers include: (IN98-1/Election 3-14-00)

 - (b) Tax-exempt foods shall also include any new items of food intended for human consumption which would have been eligible for purchase with food coupons issued by the United States Department of Agriculture if such items would have existed for sale on January 1, 1998.
